HP Portable Hard Drive
p2050 & p2100 series

The HP Portable Hard Drive is perfect for extra plug-and-play storage and includes HP SimpleSave backup software. HP SimpleSave automatically finds your valuable files and makes protecting your data a breeze. The stylish aluminum drive is available in four colors and two capacities.

Benefits

- **Stylish Aluminum Design:** The durable brushed aluminum case compliments any office or home décor.
- **USB 3.0:** Connect to a USB 3.0 port to save files up to 4x faster than USB 2.0. The HP Portable Hard Drive is backward compatible with USB 2.0.*
- **HP SimpleSave backup software:** There's no complicated software to install or learn. Just run SimpleSave and after the first backup, the software frequently checks for file changes so your backup is always up to date.
- **USB Powered:** Powered through the USB cable-no need to carry around a bulky power adapter.
